

SupportGPT — Frequently Asked Questions

General questions about your account and how the platform works

What is your refund policy?

- We offer a 30-day money-back guarantee on all new subscriptions.
- Contact support within 30 days for a full refund, processed in 5-7 business days.
- See the full Refund Policy document for exceptions and edge cases.

How do I reset my password?

- Click 'Forgot Password' on the login page and enter your email.
- A reset link arrives within 5 minutes — check spam if you don't see it.
- The reset link expires after 24 hours for security.

How do I cancel my subscription?

- Go to Account Settings > Billing > Cancel Subscription.
- Access continues until the end of your current billing period.
- We do not prorate refunds for partial unused months.

What payment methods are accepted?

- Visa, MasterCard, American Express, and Discover
- PayPal, Apple Pay, and Google Pay
- Bank transfer (available on annual plans only)

Is my data secure?

- AES-256 encryption at rest, TLS 1.3 in transit
- SOC 2 Type II certified and GDPR compliant
- We never sell customer data to third parties

How do I contact support?

- Live chat: available 24/7 through this platform
- Email: support@supportgpt.com
- Phone: 1-800-SUPPORT (business hours)
- Enterprise customers get a dedicated account manager with a 1-hour SLA

SupportGPT sample knowledge base document — used to power RAG-grounded chat responses.
