

NovaTech Solutions — Bundles & Starter Kits

Curated device combinations at a discount versus buying separately

Smart Home Starter Bundle

Our most popular entry point into the NovaTech ecosystem. Includes one Sentry Cam 2, one LockGuard X1 smart lock, and one Hub Central automation hub — everything needed to monitor, secure, and automate a single-entry home.

Item	Individual Price
Sentry Cam 2	\$129.99
LockGuard X1	\$179.99
Hub Central	\$79.99
Individual total	\$389.97
Smart Home Starter Bundle price	\$331.47 (15% off)

Includes NovaTech Solutions' standard 30-day money-back guarantee and a 1-year standard warranty on all three included devices. Setup takes under 15 minutes using the NovaTech Home app.

Security Pro Bundle

For customers prioritizing home security. Includes two Sentry Cam Pro units and one LockGuard X1 smart lock, bundled at 15% off individual pricing. Recommended for homes with multiple entry points requiring coverage.

Audio Starter Bundle

Includes one pair of NovaBuds wireless earbuds and one NovaSound portable speaker, bundled at 10% off individual pricing. Both devices pair automatically once connected to the same NovaTech account.

Bundle Terms

- Bundle discounts are applied automatically at checkout when all listed items are added to cart together.
- Bundles are eligible for NovaTech Pay Monthly installment plans, same as individual products.
- Returning one item from a bundle within the 30-day window recalculates the remaining items at standard individual pricing.
- Bundle contents and pricing are subject to change; current bundles are always listed on novatechsolutions.com/bundles.
